Notes of Contributors

The Journal of South Seas Society is a Chinese and English bilingual international refereed journal. We welcome academics and independent researchers to contribute articles on the subject of economics, politics, history, geography, culture, society and folklore of Southeast Asian countries. Individual writers are responsible for facts and opinions expressed in their articles. Their interpretations do not necessarily reflect the views and opinions of the Editorial Board or the South Seas Society. The Journal's style sheet is available upon request. Manuscript must be submitted in microsoft word file and sent via email to:
